

— UPPER — WEST SIDE

INVITATION TO ATTEND A PUBLIC OPEN HOUSE

Corbett Land Strategies Inc. (CLS) represents the Upper West Side Landowners Group (UWSLG) who own lands within the block of land bounded by Twenty Road West, Upper James Street, Dickenson Road and Glancaster Road. This group is advancing a Secondary Plan process to plan the future use of this block with the intention of creating a complete community.

The purpose of this meeting is to inform the community of the Secondary Plan process, long-term planning goals for the area and give interested participants the opportunity to ask questions and provide your thoughts on the proposed development. This meeting is a continuation of the virtual public meeting that took place on September 12th, 2023. The meeting will be drop in style.

This meeting will also be moderated and facilitated by the Monarch Park Group, to ensure a meaningful participation amongst all stakeholders. The meeting is being organized in support of the City's Secondary Plan Guidelines for the Urban Expansion Areas. All are welcome to attend. Please note, these lands were not/ are not located within the greenbelt.
